Summary

Computer Science undergraduate with strong programming skills in Java and a solid grasp of data structures and algorithms, object-oriented programming. Learning and developing backend applications using Node.js. Quick to learn new technologies and apply them effectively to real-world projects.

EDUCATION

Galgotias University　　　　　　　　　　　　　　　　　　　　　　　　　　**2022 – 2026**
*B.Tech - Computer Science and Engineering - **CGPA - 8.72***　　　　　*Greater Noida, Uttar Pradesh*

Jawahar Navodaya Vidyalaya Khairabad　　　　　　　　　　　　　　　**2020 – 2021**
*Senior Secondary Education - **Percentage - 94.80***　　　　　　　　　*Sitapur, Uttar Pradesh*

Jawahar Navodaya Vidyalaya Khairabad　　　　　　　　　　　　　　　**2018 – 2019**
*Secondary Education - **Percentage - 93.80***　　　　　　　　　　　　　*Sitapur, Uttar Pradesh*

PROJECTS

Job Portal ↗　　　　　　　　　　　　　　　　　　　　　　　　　　　　　**Present**

- **Objective:** Designed and developed a full-stack CRUD Job Portal application that enables 10,000+ potential users to register, browse job listings, post jobs, and manage applications seamlessly.
- **Tech Stack:** Built using Node.js, Express.js, HTML, CSS, JavaScript for the frontend, and MongoDB for backend data storage.
- **Result:** Delivered a complete working job portal system that streamlines the hiring process and demonstrates proficiency in full-stack web development.Created RESTful APIs for user authentication, job CRUD operations, and application management.

Digital Bookshelf ↗　　　　　　　　　　　　　　　　　　　　**March 1 - March 31, 2025**

- **Objective:** Developed a modern web-based book management system to organize, browse, and manage book collections efficiently, with a focus on user-friendly interaction and intuitive navigation.
- **Tech Stack:** HTML, CSS and JavaScript
- **Result:** Delivered an interactive and responsive user interface with integrated search functionality, improving the user experience and making book management simple and intuitive.

TECHNICAL SKILLS

Languages: Java, SQL
Technologies/Frameworks: HTML5, CSS, JavaScript, Node.js, Express.js
Developer Tools: VS Code, IntelliJ
Core Concepts: Data Structures and Algorithms, Object Oriented Programming, DBMS
Database: MySQL

CERTIFICATIONS

- Database Programming with SQL - Oracle Academy
- Certificate of CISCO Networking - Cisco
- Certificate of AWS Cloud - EduSkills
- Certificate of Web Full Stack Developer - EduSkills

EXTRACURRICULAR

- Represent Galgotias Tech Council Cricket Club.
- Participate and selected for national games in Cricket organised by Navodaya Vidyalaya Samiti(NVS).
